THESIS SUPERVISORY PANEL:

Urban1 ~~Math~~

FINAL THESIS ASSESSMENT DATE:

- Background of the study/site is still vague.
 - Need to identify all direction/function & program of the setting. - Mathematical concept needs to be elaborated.

- Poor spatial configuration & site planning

- Need to sort out the circulation system (for buses) within the site - Need to segregate circulation between the terminal & the residential area

- Circulation & spatial config need to be properly established.
