other

may have lifts that stop at alternate floor, just to fulfill your idea.

(A-)

160 unit

no floor plan for the whole floor, some images of the building. But core so hospital? Design still not refine...

(E+)

190+

Floor plan to all units (missing) scale 1:500? Still in block massing? where's the image & form of the houses?

Show evolution of design
justify building forms

- typical floor plans needed
- need to clearly show the altered spaces typology
- indicate increase in floor area and spaces - % age

- geometric & natural integration does not seem to work
- flexible stage / runway
