REFORM - DR. RASHID

CRIT # 3

DATE: 16/3/2014.

Name	Category	Knowldg 33%	Skills 33%	CTPS 33%	Comments:
Kag Yean Wen Ah Cai	Distinction				Progress well. Need some refinement to the configuration of the site planning. Need to think about the local flavor of the architecture/style.
	Good				
	Average				
	Weak				
	Poor				
	Very Poor				
Tan Yee Ling	Distinction				Still weak in design ideas. Need to see examples of biophilic arch. Need to rethink about the design of the building. At the moment the bldg lack of biophilic arch.
	Good				
	Average				
	Weak				
	Poor				
	Very Poor				
Tan Kue Yun	Distinction				Need to refine the architecture. Amend the circulation of the crowd. Need proper planning of the crowd and capture the design through circulation.
	Good				
	Average				
	Weak				
	Poor				
	Very Poor				
Hidayat	Distinction				Overall okay and need refinement to the arch. Rethink about the circulation. Need to consider the user movement during raining.
	Good				
	Average				
	Weak				
	Poor				
	Very Poor				
Harqal	Distinction				Overall the design was okay. Now need refinement and start to think about the technical requirement. No of toilet need to considered again.
	Good				
	Average				
	Minimum Pass				
	Basic Fail				
	Fail				
M. Anis Hafizah	Distinction				Resolve the parking technology. Need to have the overall concept of the parking. Establish the new types of the parking.
	Good				
	Average				
	Weak				
	Poor				
	Very Poor				
M. Anis Jusri	Distinction				Overall okay. Need to refine the architecture towards local context. Add more local flavor.
	Good				
	Average				
	Weak				
	Poor				
	Very Poor
